Program Overview

Our preschool and pre-k programs nurture each child by providing learning experiences that foster social, physical, emotional, cognitive, and language development in a caring and exciting environment. This program emphasizes teaching foundational skills that will help prepare your child for a successful transition into kindergarten. This curriculum is designed to meet or exceed the Arizona Early Childhood Education Standards. The standards serve as a guide in providing a quality program that is developmentally appropriate for each child. Our preschool and pre-k programs are taught by a certified teacher and staffed with an assistant.

Program Description and Student Eligibility

The preschool program is available for families residing in Chandler and the surrounding cities. Children must be 3 years of age by August 31, 2024 to be eligible for preschool. Children must be 4 years of age by August 31, 2024, to be eligible for pre-k. Children need to be toilet-trained* prior to enrolling. Sessions meet for six and a half hours daily Monday through Friday.

*Pull-ups are not permitted. Students in our program must be fully toilet-trained. To be considered "toilet-trained," a child must be able to do ALL of the following:

- Tell an adult they have to go potty BEFORE they have to go. They must be able to say the words "I have to go potty" BEFORE they have to go.
- Can INDEPENDENTLY pull down their underwear and pants and pull them back up when done.
- Can INDEPENDENTLY clean their bottoms after using the toilet.
- Get off the toilet by themselves.
- Wash and dry hands.
- Postpone going if they must wait for someone who is in the bathroom or if outside and away from the classroom.

Preschool/Pre-K is licensed and inspected by the Arizona Department of Health Services (DHS) and maintains a contract with the Department of Economic Security (DES). CUSD Community Education reserves the right to suspend or terminate services for non-payment or failure to adhere to parent responsibilities according to DES contract agreement. Facility inspection reports are available for public viewing at each site and at the Arizona Department of Health Services, 150 N. 18th Avenue, Suite 400, Phoenix, AZ 85007-3244. DHS may be contacted by phone at 602-364-2539 or by fax at 602-364-4768.

Behavior Guidelines

Because social growth is so crucial during the elementary years, the preschool/pre-k programs help children learn appropriate behaviors. We believe our behavioral guidelines support the emotional needs of students and teach self-discipline, judgment, and manners. Positive techniques are used to guide behavior. Staff will work with parents and teachers to establish consistency for each child and parents will be informed of problems should they arise.

Appropriate behavior is essential to learning and growing and should be based upon mutual respect for the rights and property of others, respect for those placed in authority, and respect for every student. No one will be allowed to jeopardize the health, safety, or learning environment of other children. Children will be expected to display responsible behavior when they are attending preschool/Pre-K programming. Students are also expected to take responsibility for their own behavior. Any inappropriate choices a child makes may result in consequences such as redirection, loss of privileges, or admin intervention.

The following are the expectations of all students. Individual sites may choose to extend these expectations:

Keep hands and feet to yourself
Inside voices
Do walk
Stop silent on signal

Respect others and equipment
Use good manners
Listen and follow directions
Everyone helps clean up everything
Stay in sight and sound of staff

Aggressive Behaviors

Early Childhood professionals use a positive approach to guide children toward appropriate behavior. Our Early Childhood Professionals assist children in the development of self-regulation by:

- Utilizing redirection techniques
- Setting clearly defined expectations
- Modeling appropriate behaviors

Early Childhood professionals will make every effort to assist the child and his/her family by developing behavioral intervention plans, holding parent conferences, and providing daily communications.

If a child exhibits behaviors which create an unsafe learning environment, Early Childhood Administration reserves the right to revoke the child's enrollment in the program.

Aggressive behaviors include, but are not limited to, kicking, biting, scratching, slapping, hitting staff and/or other students, or any behavior that causes harm to another individual or damage to property.

Attendance

Please make sure your child attends school regularly unless he/she is ill. Please call the school attendance line if your child will be absent for any reason. If the school staff has not been notified of an absence, the family will be contacted. *No credits or refunds will be given for sick and unused days.*

Dress Code

The responsibility for appropriate dress rests with students, parents, or guardians. Students are to adhere to student dress expectations during the regular school day as well as during all school sponsored events. At all times clothing shall provide adequate covering of the body.

The following clothing is not acceptable:

- Short shorts or skirts (short is defined as higher than mid-thigh), spaghetti straps, tops or dresses with straps less than 1 inch in width, bathing suits, halter or midriff tops, tube tops, mesh, fishnet or sheer garments, low cut tops or strapless tops.
- Clothing that exposes the back or midriff when hands are raised above the head.
- Sagging pants, visible underwear, hanging belts, see-through jerseys, overly large jerseys, or tops worn without undershirts, bandanas, chains or cords hanging from clothing.
- Clothing with obscene, vulgar, or inappropriate language or graphics, gang related clothing and symbol's, clothing that promotes racism, clothing that advertises illegal substances, tobacco, or alcohol.
- Clothing that is disruptive in appearance, contrary to good hygiene, detrimental or distracting to classroom or campus order.

The following footwear is not acceptable:

- Shoes with built in wheels, bare feet, shoe heels exceeding one inch in height.
Note: Flip flops are not recommended for daily wear and are not acceptable on P.E. days.

- For information on meet-the-teacher dates, contact your school site directly.

Your contract will be removed if the registration fee is not paid within 2 weeks of submission. Failing to cooperate with this policy will delay enrollment in the program. It is the parent/legal guardian's responsibility to keep enrollment records current, both in the system and for hard copies at the site. For your child's safety, please report applicable account information changes as they occur. **Any student who enrolls in a tuition-based program must meet the criteria established for the tuition-based program regardless of if the child has an Individualized Education Plan (IEP).** This applies to the age requirements as well as being fully potty trained. Tuition-based programs are not a recommendation made by the IEP team; rather they are available to families who choose this option for their child. Students who do not meet these criteria but require special education services are offered appropriate services based on their IEP. Please contact your child's IEP team for specific information related to your child.

Illness

If your child is ill, we ask that you please keep them at home. Medications should be administered from home as well. A form requesting emergency medical information will be completed as part of the registration process.

PLEASE SEE POSTED HEALTH AND WELLNESS GUIDELINES

If your child becomes ill while attending preschool/pre-k with a temperature of 100 degrees or higher, vomiting, frequent diarrhea, or onset of a rash, a parent/guardian/emergency contact must pick up the child within 60 minutes of the initial request. After 60 minutes, a \$1 per minute late pickup fee will be assessed to the family account. The site clock will be used to determine the time.

There is no credit for unused sick days.

COVID – 19

Please review the CUSD District Policy for the health and safety protocols related to COVID-19.

Injuries

Your child will receive proper attention and quality care for minor injuries. Staff will notify you of the injury either by phone, or in person upon pick up. An “Ouch” report or injury/incident report will be completed, and you will receive a copy. In addition, our staff members are CPR and First Aid trained to be able to lend quality care for moderate injuries. If your child experiences a medical emergency or sustains a more severe injury at the site, CPR and/or first aid will be administered and staff will call 911, if necessary. We will also make every effort to contact a parent/guardian, or any authorized emergency contact person.

Immunizations & Emergency Contacts

A child’s immunization records are required at the time of registration. The Department of Health Services requires that the immunization record provided by a parent or guardian from a health care provider contain all current, age-appropriate immunizations.

It is the parent's responsibility to make sure that the information on the Emergency Information and Immunization Record is completed at the time of registration and is kept current thereafter. It is extremely important that all home, business, mobile and emergency contact numbers are correct. You will need to list at least two local contacts on the emergency card. These contacts must be at different phone numbers and must be in addition to the parents. No one may pick up your child unless listed on the card. In the event you need someone else to pick up your child who is not a listed emergency contact, please email your teacher.

Insurance

Chandler Unified School District carries liability insurance, including coverage for any vehicle used for transporting students during field trips. CUSD buses are used for all field trips.

Late Pick-Ups

A late pick up fee of \$3.00 per minute, per child, will be assessed for any pickup that occurs after program scheduled end time (time according to the clock located at the site).

A Late Pickup slip will be filled out at the site. The charge will be applied to your account and is due & billable next business day. Each Site Lead may allow one (1) official warning for the first occurrence if no more than 10 minutes late.

Excessive incidents of late pick-up will not be tolerated. The problem will be brought to the attention of the Preschool Program Coordinator who will schedule a conference with the parents. If a child is not picked up by 5:30 p.m., and neither parents nor emergency contacts can be reached, the Program Coordinator will be contacted, and a call will be made to the Department of Child Safety due to suspected child abandonment.

Medication Administration & Emergency Procedures

Medication is not given to students without prior arrangements with school personnel. If approved, only physician prescribed medication in the original prescription container will be given. The container must be labeled by the pharmacist and must include the name of the student, date, dosage, name of the medication, and method of administration. A Medication Consent Form for the administration of medication must be completed by the parent or guardian and be kept on file at the site. Non-rescue medications and accompanying paperwork are kept in a locked area and are not accessible by children. Rescue medications, such as for asthma, diabetes, or life-threatening allergies, along with accompanying paperwork, are kept in a non-locking container that is NOT accessible to children.

Any unused or expired prescription medication will be returned to the parent or guardian. Medications will be disposed of two weeks after the expiration date or a child's withdrawal from the program.

In case of an emergency, as determined by the teacher or administration, the paramedics will be called, and a parent will be notified immediately. Parents will be responsible for all costs incurred in such emergencies.

A separate medication consent form may be required for holiday camps, and medication will need to be transferred by the parent from the home school site to the appropriate camp site.

Pesticides

Parent/Guardians will be notified at least 48 hours before a pesticide is applied on a facility premise.

The account is subject to the normal full-day rate.

No credit or refund will be given for unused days. Your entry into the program may be prorated, based on the first month of attendance within the school year.

Sign In/Out Procedures

For the safety of your child, individuals will be required to show proof of identity to the site. A child will not be released to an individual who refuses to show ID upon request. Police will be called if a child is removed from the program by anyone refusing to show ID. Always bring an ID to the site. Do not assume that the site staff will personally know you or that you will not need it. DHS requires that a parent or an authorized party sign a child in and out of preschool/pre-k each day.

To sign a child in or out, the parent or authorized party must enter a consistent legal signature, the date, and the time on the sign/in out record. SIGNATURES MUST BE LEGIBLE, OTHERWISE PARENT OR GUARDIAN MAY BE BILLED. Children must leave the site once they have signed out.

A child enrolled in preschool/pre-k will be released only to those persons specifically authorized on the emergency information form. Siblings age 12 or older may sign out a preschool/pre-k participant if they are listed on the registration form as an authorized signer. Exceptions cannot be made without advance written permission of the parent. Written permissions will be verified by contacting either parent, using only the numbers listed on the emergency card. If we cannot verify the written permission, we will not be able to honor it.

If you are receiving DES assistance, authorized signers must be at least 18 years of age. It is assumed that both parents have the right to pick up a child unless it is otherwise noted. If one parent has sole legal custody of a child or a restraining order disallowing the other parent from picking up the child, the school must have an official legal document on file stating such.

If an unexpected situation arises requiring the child to be picked up by someone not listed on the emergency card, the parent/guardian may call the teacher to authorize emergency release of their child to a designated person over the phone and must follow the call up with written permission for release of the child. Parents will be asked specific information regarding their child prior to the release being authorized by the staff. Photo ID will be required from the designated person at the time the child is picked up from the site.

Special Needs

The CUSD preschool/pre-k program fully complies with the requirements of Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, applicable DHS regulations, and applicable federal, state, and local laws.

Reasonable modifications will be provided to afford a student with a disability meaningful access to the preschool/pre-k program, unless it is demonstrated that the modification would be a fundamental alteration in the nature of the program or constitute an undue financial and administrative burden. Any student, including students with disabilities, may be removed from the program if his/her behaviors, even with reasonable modifications, are so disruptive that it puts other students in danger or negatively impacts the quality of services to other participants.

If your child has special needs or disabilities, please contact the Program Coordinator prior to registration. DHS regulations (R9-5-507) require that you provide copies of the following: your child's IEP, health care plan, medication schedule, and qualifications for staff.

Staff/Child Ratios

To ensure the quality of the preschool/pre-k programs, the staff-to-child ratios are maintained to meet or exceed the standards of 1 to 13 for 3-year-olds and 1 to 15 for 4-year-olds set forth by the Arizona Department of Health Services.

Staff Qualifications

All staff members are Chandler Unified School District Employees. Our staff members meet or exceed established educational and experience requirements for the positions held, participate in formal training, and undergo background checks through local, state, and federal authorities. Ongoing professional development opportunities in the areas of safety, child development, classroom management, recreation, discipline, bully prevention, special needs, and child psychology are provided for all staff throughout the year.

Transportation Policy

Parents are responsible for all transportation.

Personal Belongings

CUSD does not assume responsibility for personal items. Please label your child's belongings with their first and last name. Children should leave toys, electronic games, and cell phones in their backpack or at home.
