

Fabulous Fourth Grade's Weekly News

For the week of: September 2, 2013

What We Are Up To:

4th Grade Reading: Students will read and interpret information on menus, nutrition labels, calendars, schedules, etc. Thank you for sending in nutrition labels. We'll be using them this week!

5th Grade Reading: Students will read and interpret information on menus, nutrition labels, calendars, schedules, etc. Thank you for sending in nutrition labels. We'll be using them this week!

4th Grade Math: We will be introducing division as the inverse operation of multiplication. We will be relating division and multiplication using fact families, pictures, and repeated subtraction.

5th Grade Math: Next week the students will be learning about place value with both whole numbers and decimals. They will also be comparing and ordering decimals.

Science: Students are beginning to study animal and plant adaptations.

Social Studies: Students will be discovering the impact of Spanish settlement on Native Americans in the Southwest.

*We are collecting nutrition labels for our upcoming reading project. Please send any and all nutrition labels to school with your child. Thank you!

***We are also collecting supplies for an upcoming science experiment. If you could donate any of the following it would be greatly appreciated!**

*rice *Cheerios *mini-marshmallows * raisins

Mark Your Calendars!

- September 2nd – Labor Day, No School
- September 3rd – Hancock Heat Harmony Choir Rehearsal – 3:15 – 4:15pm
- September 6th – Grandparent's Day
(Grade 4 -2:30-3:00pm)

Homework Reminders:

- Math homework is due daily.
- Students should not spend more than 45 minutes per night on math homework.
- Reading homework will be sent home on Friday. **It is due the following Friday.**
- Weekly Reading Log: **Read at least 20 minutes per night.**
- **Family Read:** One night each week, an adult or older sibling should listen as your child reads aloud, then score your child on the rubric on the reading log.
