COLLEGE ATHLETIC RECRUITMENT INFO

When it comes to college athletic recruiting, everyone wants to give advice and everyone believes they know all the answers.

Finally, there's a program that does just that and gives the answers in a straightforward, no nonsense and entertaining 50-minute presentation. We have made an investment as a community to provide our student-athletes and parents with information about playing college athletics. If your son or daughter truly has aspirations to play at the next level, this is a "can't miss" event.
