

SCHOOL ENTRANCE DROP OFF AND PICK UP TRAFFIC FLOW INSTRUCTIONS

*****Do Not Use Mack Ave during drop off and pick up.**

When in our carpool line please leave space at each driveway so homeowners may access their homes.

Taking short cuts through our neighborhood streets is not safe for our walking students. It also disrupts our suggested flow of traffic for those who are following the drop off and pick up directions.

When parking in the surrounding areas in order to walk to pick up your student, please be mindful to NOT BLOCK homeowners driveways. It is imperative that we are respectful to our neighbors. Thank you in advance for your cooperation.

Walkers: Please use our three crosswalks at the following locations:

- Crescent and Juniper
- Briarwood and Blue Ridge
- Cloverdale off of west side drive through

Student grades 2-6: Riding a Bike? Please follow our rules as you ride your bike to school:

- Bike helmets MUST be worn at all times.
- All bikes should be walked on campus and be put in our bike rack next to the large playground.

In the event that these rules are not followed, students will meet with the principal to determine continued bike eligibility – it is possible for privileges to be revoked.
