We cannot guarantee that an instrument will be available for each student. I highly encourage renting from a reputable music store. Or, purchasing a quality instrument for your student. Late work

Late work will be accepted until the final week of the Quarter for credit. For playing assignments students will need to either record a video of them playing and submit in Google Classroom, or schedule a time for live performance with Mr. Kollmorgen

Performance/Concert Grades

Students are also required to be in attendance for the entire band concert. Not just their portion. A missed performance will result in an automatic lowering of at least one grade for the nine weeks or 100 points.

Alternate assignments may be made available for partial credit. (Concert dates will be communicated via infinite campus, class time, teacher website, band handbook, and paper fliers) If your student will be absent from a concert, please communicate this to Mr. Kollmorgen ASAP.

Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.
