**CTN REFERRAL LINE 480.736.4955**

## PROGRAM HIGHLIGHTS

- The Crisis Transition Navigator (CTN) program is designed to assist individual community members with “mapping out” appropriate services based on individualized needs. The navigator’s role is to help with the coordination of services while empowering self-sufficiency and reducing the probability of future crisis.
- 14 Day Peer-Based assistance with community
- Bridge for the community to resources and supports

## SERVICES (NOT LIMITED TO)

- Completing AHCCCS applications
- Assistance with lo housing
- Assistance in accessing Medical care
- Engaging Behavioral Health Services/SMI Evaluation
- Connecting with Substance Abuse treatment
- Community resources (food boxes, clothing, identification, programs)
- Employment/Vocational
- Accessing VA benefits [for eligible veterans]
- LGBTQ resources

## QUALIFICATIONS

- Minimal risk for Danger to Self or others; Low acuity for psychiatric symptoms
- 18 and older
- Individual should be voluntary to accept service by CTN
- NOT receiving Title 19 SMI case management
- This program is ideal for Non-Title 19 individuals who are not case managed and receiving services or who may be enrolled but are without any connection to behavioral health or substance abuse services.
