

# DESTINY DISCOVER LIBRARY CATALOG

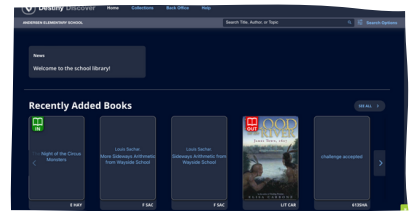

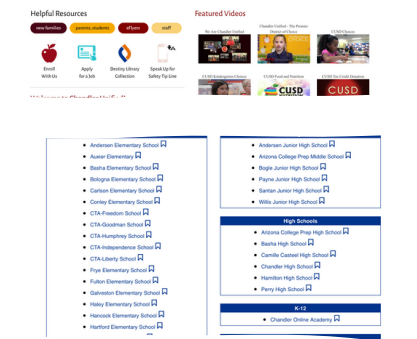

## SEARCHING SCHOOL LIBRARY

You can access the library collection for each site by clicking the link on the CUSD website or by visiting [www.cusd80.com/destiny](http://www.cusd80.com/destiny) and select the school.

Use the search box to search title, author or topic  
Search results can be filtered by relevance, Call Number, A-Z Title, Z-A Title, Author, Most Recent, Published date, format, availability, format, subject, genre, reading program, Lexile, Interest Level, Reading Level, Series and language.

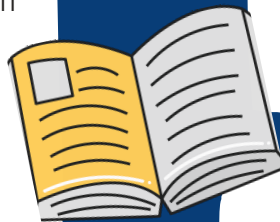

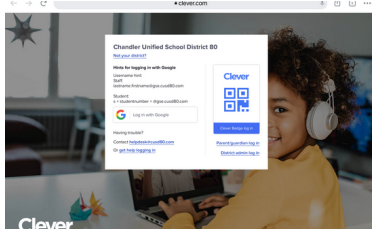

Expand the video at the side to see it in action.

## REVIEW STUDENT CHECK OUT

Students and parents can review library check out history by logging into Destiny Discover and selecting the History button on the My Stuff section.

Students can log into Destiny Discover by logging into [Clever](#) and selecting the Destiny Discover app tile. Expand video below to see it in action.

## SCHOOL LIBRARIES

In Chandler Unified School District, we are for all students all the time and we strive to foster learning environments that are inclusive of every person. This effort includes providing students opportunities to see themselves and others in the books they read. Students self-select books when they check materials out from our libraries.

- Materials and media that widen the boundaries of the students' thinking, that enrich their lives and help them fulfill their recreational and emotional needs.
- Materials and media that have imaginative appeal and a style that is interesting.
- Materials and media that stimulate the imagination, provide for mental growth, develop a taste for good writing, and draw attention to the beautiful and artistic.

Although library books are not "instructional materials", CUSD offers parents the opportunity to submit a [Library Limitation Request](#) to limit check out for their child.
