Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

Grading

Grade Percentage

A	B	C	D	F
90% - 100%	80% - 89%	70% - 79%	60% - 69%	<60%

Quarter grades

Grades are determined by your authentic participation in the growth process. Areas that are simultaneously assessed include:

- + Performance Assessment: these are small technical or musical skills being recorded and submitted for feedback. The materials may be based on the literature we are working on, or could be a technique that is foundational for your instrumental performance.
- + Performance Reflexivity: you are expected to actively participate in reflections and goal setting. These goals will be created by you (with guidance from me). We will use them as reference to measure your progress and refine both micro and macro targets along the way.
- + Performance Demonstration: these public performances may include night concerts, in class playing, or any other live performance setting.

Semester grades

Semester grades are calculated using 40/40/20: Each quarter accounts for 40% of the semester grade and the final exam accounts for the remaining 20%.
