Dear Parents and Students,

asteel

olts

Welcome to the 2023-2024 school year! I hope you are as excited for the new school year as I am! As we look to begin the year, I wanted to get a letter out ahead of time to introduce myself and provide some important information.

I am Sarilyn Larchick. I am so excited to be your 8th grade Science teacher this year. This is my 20th year teaching, and fifth year at Casteel. I have also taught 7th, 6th, 5th, and 4th grade. I am proud to be a Colt! My husband Michael and I have 3 children Jaycee (15 and 10th grade at Basha), Jaspur (13 and 7th grade at Casteel), and Jaggur (4 and in preschool.) I will be presenting a google slides presentation to students on their first day on July 21st with some other fun facts about my family and I. I can't wait to learn more about each of you! I absolutely love being a Colt and living by our 3 C's of Character, Commitment, and Courage. I am very approachable and understanding so please don't hesitate to reach out.

We are looking forward to seeing our new and returning Colts on Wednesday July 19th. Mondays, Tuesday, and Thursday will normally be a full schedule. They will have block days on Wednesday and Thursdays. **However, the first week students will attend all 6 classes Wednesday- Friday.**

The schedule for the first week will be:

I know some of you like to jump ahead and be prepared, so here is a list of the supplies that will be needed for 8th grade Science:

Supply List :

- *1 composition Notebook (no spiral notebooks please, this will be used daily as a Science Notebook)
- * a folder with pockets (to be used for Science only, may use an accordion folder for all classes as an option)
- *pencils & pens
- *Glue bottle or stick
- *highlighter
- *markers, crayons, or colored pencils
- *Calculator (will need for Math class too)

I can't wait to see you on Wednesday! Please reach out if you have any questions.

Sincerely,

Sarilyn Larchick
