MAT470A Resource Mathematics Year 4  
SY 2023-24

## Course Overview

### Course Description

Resource Mathematics Year 4 provides students with services outlined in their Individual Educational Program (IEP). Students must meet the eligibility criteria to enroll in this class. Resource Mathematics Year 4 uses the Algebra state standards and MCCCD Official Course Competencies while moving at an adaptive pace. This course is a full year. Students will also receive specially designed instruction and accommodations in their areas of need as outlined by their Individualized Education Program (IEP). Students will use the standards for mathematical practice to engage with the subject matter.

## Student Conduct, Success, and Responsibilities

### Student Handbook

Students must follow the policies and procedures established in the Student Handbook. Copies of the handbook can be found at [cusd80.com/handbooks](http://cusd80.com/handbooks). Printed copies will be provided upon request.

### Student Responsibilities

Students are expected to attend class and participate in the lessons. If a class is missed it is the student's responsibility to find out what they have missed. This can be done in person or via email on the day of absence or upon returning to school.

### Late work

Late work will be accepted up to the end of the period. It is the responsibility of the student to print out the assignment, complete and turn in. Another option is to complete it in the Google Classroom and submit it through the Google Classroom.

## Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

## Grading

### Grade Percentage

A	B	C	D	F
90% - 100%	80% - 89%	70% - 79%	60% - 69%	<60%

### Quarter grades

Quarter grades will be the current Semester Cumulative grade. To see first quarter grades, you will need to look under quarter 2 Semester Cumulative.

### Semester grades

Semester grades are calculated using 80/20: A combination of the two quarters accounts for 80% of the semester grade and the final exam accounts for remaining 20%.

## Units of study

### Units for MAT470A Resource Mathematics Year 4

Algebra Equations  
Algebra Functions  
Critical Thinking Skills

## Parent/Guardian

### Acknowledgment

Parents/Guardians should indicate if they "Acknowledge" or have a "Potential Conflict" with their student's participation in the following units by checking the appropriate box for each unit of study listed. Students cannot opt out of a standards-based unit. Marking "Potential Conflict" will prompt the teacher to make contact regarding assignment alternatives.

Unit of study	Acknowledge	Potential Conflict
Algebra Equations	<input type="checkbox"/>	<input type="checkbox"/>
Algebra Functions	<input type="checkbox"/>	<input type="checkbox"/>
Critical Thinking Skills	<input type="checkbox"/>	<input type="checkbox"/>

*\*An asterisk will indicate a unit of study containing sexually explicit materials per legislative definitions.*

**By signing and returning this form**, the parent/guardian acknowledges they have reviewed the resources and units of the study included in the syllabus.

- As the parent/guardian, I understand that I may contact the teacher if I have questions about the resources, content, or units of study.
- As the parent/guardian, I understand I can check my student's grades in Infinite Campus anytime during the school year.
